1. INTRODUCTION

Welcome to April International UK. The Long-Term International Health Plan is provided by **us** acting on behalf of the **Insurer**. The contract between **you** and **us** includes **your Application Form**, this Policy Guide and **your Certificate** of Insurance. **You** must read this Policy Guide in conjunction with **your Certificate** to ensure that **you** understand the cover **we** are providing and that it meets **your** requirements.

The **Plan** will only pay for eligible **treatment** for the **benefits** shown on **your Certificate** received within the period of cover shown on **your Certificate**. **Benefits** are limited to **reasonable and customary charges** (as determined by **us**) in the area where **treatment** is provided. **Your Plan** provides cover for the **benefits** shown on **your Certificate**, and not necessarily for all the **benefits** defined in this Guide. The **benefits** are fully explained in the **Benefits** Definitions section of this guide. **We** cannot pay any **benefit** if **your Plan** is not in force or the premiums are not paid up to date at the time **you** have **your treatment**.

Your Plan is not intended to provide cover to the **treatment** of medical conditions that are in existence before **your Plan start date**, unless accepted by **us** under a **Continued Personal Medical Exclusions Application Form**.

Words written in **bold** are important and have a specific meaning relevant to this Policy Guide. These words are clearly explained in the **Plan** and **Benefit** Definitions.

We are committed to providing the highest level of customer service and **we** aim to be clear, fair and accurate in **our** communications with **you**. **You** can contact **us** if **you** need further clarification about **your Plan**, or if **you** would like to inform **us** of any changes in **your** personal circumstances. **You** must tell **us** if **you** change **your country of residence**, correspondence address or any other important personal information. **We** will do all **we** can to help **you** and **your dependants** when **you** need to use **your Plan**.

2. ADMINISTRATION OF YOUR PLAN

2.1 ACCESSIBILITY

Upon request **we** can provide Braille, audio or large print versions of the **Plan** and associated documentation. If **you** require an alternative format **you** should contact **us**.

2.2 ELIGIBILITY

The Long-Term International Health Plan (the **Plan**) is designed for **expatriates** of any nationality living or working outside of their **Home Country**. The **Plans** are also available to some **local nationals** who require international health insurance where this is agreed in writing by **us**.

The **Plans** are not available to USA or Caribbean nationals who are resident in their **Home Country**.

The **Plans** are not available to persons or in countries where it would breach any sanction, prohibition or restriction imposed by law or regulation.

The maximum age **you** can apply for a **Plan** is 70.

If the main applicant is a child under the age of 18, **we** will charge the young adult premium rate (age 18-25).

You may apply for cover on behalf of **your** spouse/partner and/or on behalf of **your** (un) married children (including step-children, foster children and legally adopted children) providing that they are aged less than 18 years old (or 24 years old if in full-time education). **We**

will require proof of education for **dependent** children aged between 18 and 24 years old.

Newborn children are eligible for cover from birth. Please refer to the **How to Make Changes to Your Plan** section of this Guide.

You must complete and sign a **Moratorium** or **Full Medical Underwriting Application Form** providing details for all persons to be covered by the **Plan**. If **you** are aged over 65 years at the time of applying for a **Plan**, **you** must complete the **Full Medical Underwriting Application Form**.

Your Certificate will show any **specific exclusions** that are specific to **you** or **your dependants** and are in addition to the standard **Plan** exclusions shown in this Policy Guide.

2.3 UNDERWRITING

If **you** and/or **your dependants** are aged less than 65 years on the **start date** of **your Plan** **you** are eligible for cover on a **Moratorium Underwriting, Full Medical Underwriting (FMU) or Continued Personal Medical Exclusions Underwriting (CPME)** basis.

If **you** and/or **your dependants** are aged 65 or over on the **start date** of **your Plan** **you** will only be eligible for a **Plan** on a **Full Medical Underwriting** basis.

The **Full Medical Underwriting and Continued Personal Medical Exclusions underwriting** options are not available if **you** purchase a **Plan** online via **our** website.

If **you** select **Moratorium Underwriting** **you** must complete the **Moratorium Application Form**. **Moratorium Underwriting** means that **you** will not be covered for any **pre-existing medical conditions**. After two years of continuous cover, **pre-existing medical conditions** may become eligible for cover (unless the condition or **benefit** is specifically excluded under the **Plan**) if, at the first time of receiving **treatment**, **you/ your dependant** has not

- > suffered any symptoms
- > consulted any medical practitioner for check-ups/monitoring of a condition, follow up examinations, medical **treatment** or advice
- > been prescribed or taken medicine, including over the counter drugs, special diets, injections or physiotherapy

for the **pre-existing medical condition**, or any related condition for a continuous period of two years.

If **you** select **Full Medical Underwriting** **you** must complete the **Full Medical Underwriting Application Form**. **We** will review the information provided on the **Full Medical Underwriting Application Form** to ascertain whether your **Full Medical Underwriting Application** will be accepted with or without **specific exclusions**. **You** must therefore ensure that your **Full Medical Underwriting Application Form** is fully and accurately completed. If **specific exclusions** will apply to **your Plan**, **we** will advise **you** in writing or by email and **you** will need to let **us** have written confirmation that **you** accept these **specific exclusions** before the **Plan** can start. **We** may refuse to accept **your** application at our sole discretion. Any **Pre-existing medical conditions** not declared on **your Full Medical Underwriting Application Form** will not be covered by the **Plan**.

If **you** select **Continued Personal Medical Exclusions Underwriting** **you** must complete the **Continued Personal Medical Exclusions Underwriting Application Form**. **CPME underwriting** allows **you** and any **dependants** to carry forward any existing **specific exclusions** from **your** previous international private medical insurance policy that was in place immediately prior to the **start date** of **your Plan**. It is essential that **you** understand that this relates to **specific exclusions** only. The conditions, exclusions and benefit limitations that are detailed in this policy guide and **your Certificate** of insurance will apply from **your new start date** under this **Plan**.

We will review the information provided on the **Continued Personal Medical Exclusions Underwriting Application Form** to ascertain whether **your Continued Personal Medical Exclusions Underwriting Application Form** will be accepted. **You** must therefore ensure that **your Continued Personal Medical Exclusions Underwriting Application Form** is fully and accurately completed and submitted together with a copy of **your** previous **Certificate** of Insurance. An additional **premium** may be charged for this type of underwriting upon acceptance.

The **start date** and **cover level** as detailed on your previous **Certificate** of insurance will determine whether **waiting periods** will be applied under your new **Plan**. The **start date** must follow on from

the expiry of your previous international private medical insurance and there should be no break in cover from your previous insurer.

2.4 THE INSURER

The **Insurer** of **your Plan** is XL Catlin Insurance Company Limited, Catlin Underwriting Agencies Limited or XL Insurance Company SE, as displayed on **your Certificate**.

2.5 YOUR PLAN

You will be covered for the **Plan** that **you** have selected on **your Application Form**. **Your dependants** must be covered under the same **Plan** as **you**. Only **benefits** outlined under the **Plan** **you** have selected will be available to **you** and/or **your dependants** and will be shown on **your Certificate**.

You will be covered for the **Area of Cover** that **you** have selected on **your Application Form** which will be shown on **your Certificate**. **Dependants** can select a different **Area of Cover**.

If **you** have selected a **Voluntary Excess** on **your Application Form**, this will also apply to **your dependants**.

You can select the currency of **your Plan**. The **Plan** is available in Pounds Sterling, US Dollars and Euros. The currency selected by **you** will apply to the premium due and **benefit** limits displayed on **your Certificate**.

2.6 EXCESSES AND CO-INSURANCES

An **excess/co-insurance** applies to some **Plan benefits** and these are shown on **your Certificate**.

An **excess/co-insurance** is the portion of costs which will be paid by **you**. The **excess/co-insurance** will be applied as stated on **your Certificate** and will apply for each **Certificate period**.

An **excess** will be the fixed amount of costs to be paid by **you**. An **excess** may be applied per **claim** or per **benefit** and will be stated on **your Certificate**. Where an **excess** is applied per **claim**, if the **claim** continues into a new **Certificate period**, then an **excess** will also apply for the new **Certificate period**. The **excess** is individually applied to each person named on a **Certificate**. **You** will be reimbursed for eligible **treatment** costs that exceed the **excess** shown on **your Certificate**.

A **co-insurance** will be a partial contribution by **you** for all eligible **treatment** costs incurred for any **benefits** where a **co-insurance** is shown on **your Certificate**.

If **you** have selected a **Voluntary Excess**, this is applied once per **Certificate period**. The **Voluntary Excess** is individually applied to each person who is named on a **Certificate**, and across all **benefits** shown on **your Certificate**, except for **Emergency Medical Evacuation**. Once the aggregate amount of eligible **treatment** costs exceeds the **Voluntary Excess** shown on **your Certificate** **you** will be reimbursed for subsequent eligible **treatment** costs. Any other **excess/co-insurance** shown on **your Certificate** will be applied after the **Voluntary Excess** has been deducted.

2.10 RENEWING YOUR PLAN

The **Plan** can be renewed on each **Anniversary Date** of the **Start Date**, subject to the terms and conditions of the **Plan** and the premiums in force at the time of each **Anniversary Date** and any variations that **we** will advise **you** of in writing prior to the **Anniversary Date**.

We will send **you** a **renewal offer** prior to **your Anniversary Date** which will include details of any changes that have been made to the **Benefits** and **Plan** terms and conditions. The premium due on the **Anniversary Date** will depend on **you** and/or **your dependants'** age on the **Anniversary Date**.

If **you** wish to make any changes to **your Plan** with effect from the **Anniversary Date**, **you** must notify **us** in writing, by email or by telephone and **we** will provide **you** with a revised **renewal offer**.

Your renewal premium can be paid annually or quarterly. **We** must receive **your** full annual premium or first quarterly premium including any taxes where applicable before or on **your Anniversary Date**.

If **you** elect to pay **your** premiums annually, **you** must pay the full amount by bank transfer, via **our** online premium payment facility or by credit/debit card (Visa/MasterCard/American Express). All charges as a result of making a bank transfer must be paid by **you**. **We** will only pay for charges that occur for receiving the funds into **our** bank account.

If **you** elect to pay **your** premiums on a quarterly basis, **you** will need to complete the payment authorisation form with **your** credit/debit card details and return this to **us** prior to **your Anniversary Date**.

If **you** elect to pay **your** premium using **our** online renewal payment facility **you** must do so by using an acceptable credit/debit card (Visa/MasterCard/American Express).

We will renew **your Plan** when **we** receive the premium. By paying the premium **you** are agreeing to any changes that have been outlined in **your renewal offer**.

Children can continue to be covered under **your Plan** and will be charged the appropriate child rate as long as they are aged less than 18 years old or 24 years old if they are in full time education. If they are aged between 18 and 24 years and in full-time education **you** will need to provide **us** with proof of enrolment into an educational institute.

If a child aged between 18 and 24 years is no longer in full-time education, they are no longer eligible for cover under **your Plan**. They can apply for a **Plan** in their own right by completing and signing an **Application Form** and paying the appropriate adult premium. Providing that the premium is paid on or before the **Anniversary Date** and there is no break in cover, they will maintain their original **Start Date**.

Once **your Plan** has been renewed **you** will receive a **Certificate** of Insurance and **Insurance Identification Card** for each person covered under **your Plan**.

2.11 TERMINATION OR CANCELLATION OF YOUR PLAN

Your Plan may be cancelled during the **Cooling off Period** if **you** provide notice to **us** in writing or by email that **you** wish to cancel **your Plan** within 30 days from the **Start Date**. **We** will give **you** a full refund of the premium paid, providing that no **claim** has been made on **your Plan**.

Your Plan may be terminated with effect from any **Anniversary Date** by either party. **We** will not invoke cancellation as a result of **your** age or health record whilst **you** are insured under the **Plan**.

If **you** do not wish to renew **your Plan**, **you** must notify **us** in writing or by email prior to **your Anniversary Date**.

If **you** wish to cancel **your Plan** at a date other than the **anniversary date**, **you** must notify **us** of **your** request to cancel the **Plan** in writing or by email. **We** will only cancel the **Plan** from the date that the request is received by **us** and cannot accept any requests for cancellation dates that are before the receipt date. If no **claims** have been made by **you/your dependants** during the **Certificate period**, **we** will calculate a proportionate refund of the premium paid for the **Certificate period**. An administration charge of £50/\$75/€65 will be deducted from any refund due to **you**. If the proportionate refund calculation is less than the administration charge, then no refund will be provided.

We are entitled to cancel **your Plan**, if there is a valid reason to do so, including for example:

- (i) any failure by **you** to pay the premium; or
- (ii) a change in risk which means **we** can no longer provide **you** with insurance cover; or
- (iii) non-cooperation or failure to supply any information or documentation **we** request, such as details of a **claim**;

by giving **you** fourteen (14) days' notice in writing. Any return of premium due to **you** will be calculated at a proportional daily rate depending on how long the **Plan** has been in force unless **you** have made a claim in which case the full annual premium is due.

2.12 INFORMATION YOU HAVE GIVEN US

In deciding to accept this **Plan** and in setting the terms including premium **we** have relied on the information which **you** have provided to **us**. **You** must take care when answering any questions **we** ask by ensuring that any information provided is accurate and complete.

If **we** establish that **you** deliberately or recklessly provided **us** with untrue or misleading information **we** will have the right to:

- (a) treat this **Plan** as if it never existed;
- (b) decline all **claims**; and
- (c) retain the premium.

If **we** establish that **you** carelessly provided **us** with untrue or misleading information **we** will have the right to:

- (i) treat this **Plan** as if it never existed, refuse to pay any **claim** and return the premium **you** have paid, if **we** would not have provided **you** with cover;
- (ii) treat this **Plan** as if it had been entered into on different terms from those agreed, if **we** would have provided **you** with cover on different terms;
- (iii) reduce the amount **we** pay on any **claim** in the proportion that the premium **you** have paid bears to the premium **we** would have charged **you**, if **we** would have charged **you** more.

We will notify **you** in writing if (i), (ii) and/or (iii) apply.

If there is no outstanding **claim** and (ii) and/or (iii) apply, **we** will have the right to:

- (1) give **you** thirty (30) days' notice that **we** are terminating this **Plan**; or
- (2) give **you** notice that **we** will treat this **Plan** and any future **claim** in accordance with (ii) and/or (iii), in which case **you** may then give **us** thirty (30) days' notice that **you** are terminating this **Plan**.

If the **Plan** is terminated in accordance with (1) or (2), **we** will refund any premium due to **you** in respect of the balance of the **Certificate period**.

2.13 FRAUD

If **you**, or anyone acting for **you**, makes a fraudulent **claim**, for example a loss which is fraudulently caused and/or exaggerated and/or supported by a fraudulent statement or other device, **we**:

- (a) will not be liable to pay the **claim**; and

(b) may recover from **you** any sums paid by **us** to **you** in respect of the claim; and

(c) may by notice to **you** treat this **Plan** as having been terminated with effect from the time of the fraudulent act.

If **we** exercise our right under (c) above:

- (i) **We** shall not be liable to **you** in respect of a relevant event occurring after the time of the fraudulent act. A relevant event is whatever gives rise to our liability under this **Plan** (such as the occurrence of a loss, the making of a **claim**, or the notification of a potential **claim**); and
- (ii) **We** need not return any of the premium paid.
